Sub: Further Public Offerings (FPO)

We are pleased to inform that, **JIYA ECO-PRODUCTS LIMITED** ("JIYA") is coming with Further Public Offering (not more than Rs 25 crore) in very short time span. For which the shareholders have already given approval in its Extra-Ordinary General Meeting ("EGM") held on May 25, 2017.

For the purpose of the said FPO, the Company has again trusted PANTOMATH CAPITAL ADVISORS (P) LIMITED as the lead manager to the issue.

Need of FPO:

JIYA ECO-PRODUCTS LIMITED, ("the Company") is manufacturing bio - fuel from agro waste named "Pellets". These pellets are so well designed that the demand is increasing day by day. To cater the needs of customer there is a need to increase the production capacity.

"Pellets" can increasingly satisfy the energy needs in an environmentally benign and in a cost effective manner.

Zero smoke- low ash content – easy handling – safe to use, etc. are some of its characteristics (advantages).

The increase in demand is due to "Pellets" are substitutes of Coal, Diesel, Lignite, LDO, PNG, CNG, etc.

Object (tentative) of the Further Public offer is:

- To set up **new plant**
- to **increase the production capacity**, by acquiring new highly automated machines,
- **general corporate purpose**,
- **working capital requirement**
- for any such other purpose.

In the words of Mr. Yogesh patel, Managing Director,

- *"JIYA" became a listed entity on July 16, 2015 and the Initial Public Offer was oversubscribed by 2 times. I was always thankful to the investors for their support and looking forward for the continuing support in the coming Further Public Offerings.*
- *"JIYA" is manufacturing such a unique product named "Pellets" and its demand is increasing day-by-day. The main object of the FPO is to fulfil the demand by increasing the productivity.*
