Mumbai.

**Sub:** Updates regarding upcoming projects of the Company

• **2 Years of listing on BSE SME platform:**

› We are pleased to inform that, **JIYA ECO-PRODUCTS LIMITED** ("JIYA") have successfully completed its 2 (two) years of its listing on July 16, 2017. Company came up with an IPO (Initial Public Offer) of Rs 4.58 crore by fresh issue of 24,12,000 equity shares of Rs 10 each on July 16, 2015.

• **FUTURE PROJECTS:**

› The shareholders of JIYA ECO PRODUCTS LIMITED ("JIYA") have approved the project of FPO i.e. Further Public Offerings, of not more than Rs. 25 crore (including premium amount) on May 25, 2017. Thereafter, the management of Company was focused on the FPO and was planning accordingly, relating to the objects and the new shares to be issued.

› In the mean time, after the news of FPO been approved, many strategic investors meet the management of the Company and showed their interest in investing in JIYA. These strategic investors were interested in the profile of the Company, the product, the type of plant (manufacturing unit) and also the demand of the product. The Company is therefore thinking for Issue of Preferential Shares in place of FPO and will resume the process of the same in short time period, subject to appropriate approval.

› As mentioned in the earlier letters, which were addressed to shareholders regarding the product i.e. **Pellets**. The demand of the same is increasing day-by-day, Namkeen, Farsan, bakery industries and other similarly industries have already accepted this product and have started using it in good numbers. The production of the Company roused to Rs. 52 crore (approx.) as compared to previous year Rs. 33 crore (approx.).

› As per the projections or estimations of the Management of the Company, the demand of the said product will increase in manifolds, therefore looking to the need in near future, for increasing the manufacturing capacity, Management have also thought to expand its capacity by opening 1 or 2 more manufacturing units in the coming time to cater the increasing demand.
